THE difference between Komaroff and Lumsden may be ciphered down to a t. One gots roubles, the other troubles.

A TIBED nation raises its voice in a pathetic appeal to the administration: "Give us a rest from your sickening 'reform' cant."

"what Maryland needs is an anti-lynching society." A higher civilization would be preferable.

Tue Raltimore American thinks that

RIGHTHOUS warfare is being waged against bogus butter in many cities The fighting should be pushed right along to victory.

· BANK defaleations, like death, have "all seasons for their own." This season's crop would make up the wheat defleit if they were edibles.

Tue silence of the administration in relation to a recent notorious violation of the civil service law is dense enough to make good underpinning stone.

THE value of newspaper correspondence is determined by the amount and quality of news it contains, not by the number or character of opinions it expresses.

THE Pennsylvania Democrats are crying aloud against the appointment of women for postmasters. But, all the same, there are women now holding such positions who are protty sure to hold on.

Ir appears that J. Davis would be soul could but be cheered with the happy assurance that the federal constitution would be safely guarded till the end of time.

Ir is understood that Prof. Eugene Field, the emihant botanist, is preparing a paper on the juices, uses, and abuses of the lambert tree, to be read before the American Association for the Advance-

Ersywhere we print coplous extracts from the address of Hon. Stephen B. Elkins, delivered yesterday as a feature of the commencement exercises of the State University of Missouri, Limited space alone provents its publication en-

IF THE street railroads in Washington would regulate their freight traffic so as to give their passengers better accommo- lowed for dations the public would be materially benefited. Of course there is no objecshould be stowed in some convenient re-

SECHETARY LAMAR makes a mistake a directing that the clerical changes in the lateral by the personal state of the west but the clerical changes in some parts of the west, but, of course, in directing that the clorical changes in the Interior Department shall not be made public. Justice is not usually afraid to merely carrying suspended matter to the botshow its hand. Secresy naturally excites tom of the settling vessel.

A cheep and effective filter may be made by
suspicion. The Interior Department in-Lamar cannot make his department like must be renewed every week or so. an executive session of the Senate.

Hon, Stephen H. Elkins,

An address, remarkable in many re-pects, was delivered yesterday by Hon. "Merits Highest Commendation." spects, was delivered yesterday by Hon. Stephen B. Elkins before the faculty, students, and friends of the State University of Missouri, at Columbia, on the occasion of the annual commencement of that great and prosperous institution of learn-

It was remarkable in that it evinced such clearness of perception, depth and thoroughness of research, wealth of illustration and practical common sense as are soldom encountered in the utterances of our publicmen. Mr. Elkius has been best known to the country heretofore as a be credited with practical statesmanship strange.

and sound social philosophy.

He does not aim at the ornate in r mioric or at special elegance of diction, There is nothing strained or stilted in his style. He employs plain words, read-ily understood by the unlearned, but elegant enough for the most crudite. It is his utter freedom from any appearance of a desire to natouish his hearers with wonderful achievements in "fine writing" that makes his speech a welcome exception to the general rule of William Kent, of that place.

The only present survivor of Daniel Webster's first public address, delivered in the old North Church, Concert, July 4, 1896, is Mr. William Kent, of that place. commencement addresses. Like Oliver DR. STRWART B. MUNCASTER, the dentist, P. Morton he prefers the rough granite will leave here on the 5th instant and sail from boulders of hard sense, shuaning the models imitated by those ambitious ora-

STRATOR RIDDLERSERIES, who is in the city
of the great problem. The man who,
telegraphed yesterday to Mr. Alexander Sullifeaving his alma mater to settle in New van his purpose to be present at the minth an-Mexico, was able, in a few years, to behe most distinguished members of the will be present.

House of Representatives, who became a political leader of great natural influence, whose splendid business capacities soon gave him a large fortune and solid standing among men, of enterprise and capital in the chief cities of the Atlantic states—such a man, with such substantial achievements behind him, was the one best fitted to handle the great question of the hour and of the ages in his old literary home.

Tun discharge of ex-soldiers from department positions to make room for men who took no part in the late infelicities is quite hard enough without at making false charges of against them, as has recently been done in more than one case. The day of reckoning will come for officials who thus abuse power.

In all cases of discrimination against the soldlers in making department chances, the facts should be brought to

Aur-Purious involves the city ducing the heatest follows: Saturday, May 30, \$3,161.95, and

SECRETARY BAYAND has already begun to experience the broadening influences of the great and growing west.

THE civil service law, as now construed, appears to be elastic enough to cover all

Some Facts About Water. Euron National Ripuntican: Are we only ow petting the water that esmaped from the ininit through the water. Are better? Or what is the mater with the water, Mr. Diltor? It is infinitely one than when True Harrington, was deal

edly from the polluted supply. It will take some time for traces at the filth to be entirely liminated, but with reasonable premution no ill results need ensee from its use. The contaminated matter that has so long flowed through the conduit and distributing reservoir must have deposited more or less of the fourness in and about these works. As the improveuts for which THE NATIONAL REPUBLICAN ments for which THE NATIONAL EMPURIOUS has been contending, and which have already been insurgurated, become sanitarily effective some turbidity of the water will at times be noticed. Even this comparatively trifling trouble will disappear when the receiving reservoir shall have been reinspred if for use by the exclusion from it of the surface drainage of the thirtyix square miles of country now tributary to it is will then be really what it has hitherto been cominally, a settling basin and reservoir of clear water, to be drawn upon when the Potomne water shall have become becomed by on account of many business engage-the wash of a rain storm about its source among ments it would be impossible for him to

Filtration will remove a large portion of the clayey mud during the ensuing summer storms, while bolling and subsequent aeration will substantially purify it from organic matwilling to depart in peace if his patriotic ters with which it may be contaminated, pending the tedious process of cleaning now in progress by the constant change and current of the ever flowing supply. The accration may be effectively enough accomplished to render the boiled fluid potable by simply pouring the water from one vessel to another a number of times, taking care that it falls from a sufficient height to be mixed with the air, thus allowing it to regain the air that has been expelled by ebullition. Filtration through fresh animal charcoal

will have about the same effect as the boiling and acration, but as few of the filters in com-mon use include purified bone black in the media through which the water passes, this minut be utilized generally. The addition of a minute quantity of permanganate of potash to the water before filtering has also the effect of existing the organic matter. It must be med with care to prevent an excess of the sait anding its way through the filter, which may be detected by the plak bue of the product ecompanied by a peculiar and not very agree anie taste. When just enough has been used to remove the impurities and time has been alreaded for the ranction to take place, recognized by the less of the pink color, the finid turning first a brown shade and finally benealted. Of course there is no objection to having a car half filled with soiled lines, live poultry, dead fish, and errorgetic outons, but less fragrant goods anted or filtered. If the process is conducted with care and the skill that can be acquired ceptacle on the tops of the cars, and steps after a few experiments there is no need of a provided for ascent and descent to and from the place of stowage.

cludes a number of the great business bureaus of the government, and the people have a right to be informed as to who is attending to that business. Secretary both of the fitting media, and the materials

Licut. R. R. Peck, U. S. N., and Capt.
R. L. Mead, U. S. M. C., invalids from the isthmus, were also passengers.
The battailon of marines is the same which opened the transit of the isthmus on the 11th of April, and remained until the rebellion was overcome and peace and quiet assured by the arrival of a large force of government troops from the force of government troops from the Cauca. It has suffered much from mala-Cauca. It has suffered much from mana-rial and other fevers, and left the bones of several of its members behind. The last victims of yellow fever were Privates Angeroth, Hyzer, and Cody, who died about the last of May, the two former in Panama and the latter in Colon. Several cases of fever occurred on the passage home, but no deaths. Many of the men home, but no deaths. Many of the mon look bailty, and a majority of the officers have lost from ten to thirty pounds each. The principal officers are: Maj. Charles Heywood, commanding battation, and Capts. Meeker, Fagan, Cochrane, and Benamin, commanders of companies. battalion was transported to the Brooklyn havy yard in a government tug, and its numbers will be assigned to their former stations without delay. Admiral Jonett has commended its services to the Navy Department in the highest terms. Nearly 100 marines were added to the guards o the Pacific and north Atlantic ships now at the isthmus, to be in readiness for land-ing should further trouble occur.

A GUN TO SALUTE LOGAN. The Invincibles to Have One if They

Go Abroad for It. Gen. Whittaker yesterday received

dispatch from Senator Logan stating that ments it would be impossible for him to say when he would be able to come to Washington.
The Invisible Club, of East Washing-

ton, have had a tough experience in se curing a cannon with which to fire a salute on Gen. Logan's roturn. Application made to the usual sources has been met with a refusal. Not to be left in the cold, however, arrangements have been made elsewhere to get a gun. Said a member last night: "The Democrats member last fight: The Democrats think that they can down us in the shooting business, but while there are pleuty of geneals where it is pretty cer-tain we won't get left. A gun will be gotten if we have to go to the north pole

Later, it has been learned that Gen. Logan had declined a public reception. He expressed thanks at the kind forethought of his friends, but preferred that his arrival should be private.

Sweet Girl Graduates. The last quarterly examination of the Washington normal school will be held to-day at the Franklin building. The graduating exerclass will take place to-morrow evening at the High school building. The following will be graduated: Misses Katharine C. Babbington, sophora D. Bettes, Alice M. Clayton, Lillie tohen, Mary A. T. Connelly, Mary M. DeVote, Early Enthoder, Mary F. Gordon, Emma Hauford, Rose E. Houston, Carrie V. Law, Mary F. A. Lynch, Margaret Van R. Morgan, Elizabeth Merris, Alice C. Noer, Frances C. Noer, Annie T. O'Donnell, Loue Pollock, Annie L. Pumpirey, Katle Robertson, Mary J. Scrivener, Luise L. Smith, Elizabeth V. Snowden, Julia H. Stickney, and Lelia E. White. ses will take place to-morrow evening at the

Signal Office Sergeants Excited. There is much anxiety among the signs flice sergeants over the approaching annual ion for the selection of two second its. It is said among some of them successful candidates have aiready hat the successful candidates have already, seen selected, one being an ex-member of the greety party and the others near relative of a member of the cabinet. If these men should show up at the head of a fair examination there will, it is said, be no grainbling, but alleged precedents are quoted to justify the opinion that merit may not win on this occasion.

The Smith Court of Inquiry.

The Secretary of the Navy has not yet examined the record of the court of inquiry in the case of Paymaster General Smith, the case of Paymater General small, and nothing official can be learned regarding the indings of the case. It is said, however, that the evidence, while not establishing any collision with contractors, showed such negligence and lilegality in the matter of contracts that the Feerrelary will be likely to order a court martial. The Charities and Corrections' Convention.

The meeting of the National Conference of Charities and Corrections will hegin their ses-sion at Willard Hall this evening, and will continue until next Wednesday. On Friday and Saturday there will be a morning and creming session. On Friday the delegates will visit the jail, workhouse, and insane saylum. They will go down to Mt. Vernon to day. Next Week's Attraction at Albangh's.

Next Neck's Alfraction at Albanya's.
Miss Jeannie Winston, with her excellent
opera company, will produce "Fra Diavoio"
next week at Albanya's Opera House, with
Miss Winston in the title role. It will be retinembered that this is the same company
which gave "Frince Methusalem" to crowded
houses two weeks ago. The cast will include
all of the people who made his here in that
opera. Scata are on sale to-day. Dismembered by a Locomotive.

A German named John Nertsell, while watking on the Baltimore and Ohio railroad track at Pan Pau, Ya., yesterday murning, was run over by an in-compig train. It was strong inder the wheels of the locomotive and his right arm and right log were cut off. He was trought to this city less night and removed to Providence Hospital in the police ambulance.

J. Parker Jordan Pleads for More Time. The district attorney for the third time called for trial in the criminal court yesterday the case of J. Parker Jordan, indicted on the charge of assault with intent to commit rape ou Labelle Carroll, and there was another continuance granted on the defendant making adidayit that he was not ready to proceed to

A Frenchman in Danger of Lynching. A Freezaman in Banger of Lycology.

Pictro Lordie, a Frenchinan, who keeps of fruit store on Royal street, Alexandria, is in der arress on a charge of attempted felonious issuant on a little girl 11 yours of age in his employ. There were threats of Lynching lass right, but no attempt to carry, them out.

Increasing the Saloons. The number of barroom licenses issued last year was 568. The number granted so far this year is 650, which is an increase of 82 saloons, or an increase of about 14 per cent in less than a year. The number of wholesale liquor dealers has been equally large.

The Telegraph Pole Suit. Justice Hagner will to-morrow give his de-oision in the case of Hewitt and others against the Western Union Telegraph Company and the District commissioners, involving the con-struction of a telegraph line on Seventh street,

Dangerous Telegraph Pole..

THE PRESENTERY MEETING. A Son of Justice Barlan Licensed for

MAND ARMY OF THE REPUBLIC the Ministry - A New Pastor In-The Presbytery of Washington city met at the First Presbyserian Church at Alexandria yesterday afternoon, moderator B. F. Bittinger. There were also present

Rev. Dr. Little, Rev. Dr. Sunderland, Rev. Dr. Childs, and Rev. Engene Pack. Mr. Richard D. Harlan, of the Theo-LO PERSONAL TAXES.

NOW IS THE TIME TO GET AWN-

much clearness of thought and decided convictions. Ho was licensed by a unani-mous vote. Mr. Harlan is a member of the New York Avenue Presbyterian Church of this city, and a son of Justice Harlan. Matters relative to the theo-logical department of the Howard Uni-versity were pestponed to the fail meet-ing. HAISLETT, SIT MARKET SPACE. Matters of minor and incidental importance were attended to, and the meet-ing took a recess for lunch, which the ladies of the church had very hand-somely prepared.

somely prepared.

A motion to appoint a committee to organize the Church of Covenant was made and carried. This is the church on the corner of N and Eighteenth streets.

In the evening Rev. James M. Neurse was installed as paster of the First Presbyterian Church at Alexandria. Rev. Dr. Bittinger presided and preached the sermon, Dr. Sunderland and Prof. James E. mon, Dr. Sunderland and Prof. James E. Nourse also taking part.

The Carroll County Lynching. Such an act does not look like the re-suit of legitimate indignation—it looks rather like the froits of men who care little for the law, and who seek to justify their own lawlessness by the enormity of their victim's crime. They may not think themselves guilty of murder, but they are.—Ballimore American.

What Makes Bim Happy. Nothing so pleases an old line Demo-erat as to place him in an office from which a Republican has been forcibly

ejected, thus making him an instrument of reform. He eares nothing for the office, but it is sweet to be called an in-strument of reform.—Macon Telegraph A Vanished Dream,

The President must comply with the wishes of his Democratic constituency. To that end he must give almost all the administrative posts to Democrats, and this he now seems bent upon doing. And so the Mugwump dream of an unpartisan civil service comes to an early end.—New

The Columbian Preparatury Commencement The closing exercises of the Columbian Col-lege preparatory school takes place at Ford's Opera House to-morrow evening. The following are the graduates: Delana Ames, F. Howard Secley, Henry B. Mason, William Watson, Ayres, Alfan T. Bacon, S. Howard Eacon, John Chester, George G. Getty, Arnold R. Hood, Irvin B. Moulion, Judon D. Lincoln, Herbert H. Patter, Howard C. Russell, Frank W. Sacket, and Allan E. Wilson.
